## INCIDENT POLICY

### CONSEQUENCES FOR BEING OUT OF UNIFORM

1. SVA staff will send a **written warning** the first time a student is out of uniform. Parents must sign the warning and return it to school within the next two school days.
2. On the second offense, **parents will be called** to bring compliant clothing for their child or take them home to change.
3. Repeated offenses will result in a **meeting with the Principal** to resolve the problem. Parent cooperation is an expectation of the school.
4. The Principal reserves the right to make any exceptions or extended warnings to families if a situation warrants it.
